3. CURRENT NSC STAFF PROJECTS

A. SENIOR NSC STAFF

UNITED STATES OBJECTIVES AND PROGRAMS FOR NATIONAL SECURITY (NSC 68 Series; NSC 114 Series; NSC Action No. 575; Memos for Senior NSC Staff, from Executive Secretary, same subject, dated November 6, 1951 and March 11, 1952; Memos for Senior NSC Staff, from Executive Secretary, subject, "Reappraisal of United States Objectives and Strategy for National Security," dated June 25 and July 7, 1952; Memo for NSC from Executive Secretary, same subject, dated June 30, 1952)

The Council on October 17 (NSC Action No. 575-c), directed the Senior NSC Staff to submit for Council consideration at the earliest practicable date a reappraisal of the policies and programs set forth in the NSC 68 and 114 Series, including a revision of Part I of NSC 114/2 and in the light of: (1) Further analysis of Soviet atomic capabilities as indicated by the recent explosion of another atomic bomb in the USSR; and (2) the current evaluation of the net capability of the USSR to injure the continental United States (see Section 4). At its meeting on October 24, the Senior NSC Staff noted the statement by the Executive Secretary that the Senior State Member had agreed to prepare a draft of the political and foreign policy considerations to be included in the reappraisal of the NSC 68 and 114 Series; and that the Senior Defense, JCS and CIA Members would prepare a revision of the portions of Part I of NSC 114/2 relating to military capabilities, in the light of the two factors mentioned above.

At the request of the Director, Psychological Strategy Board, paragraphs on "Psychological Strategy in the Ensuing Years", prepared by the Staff of the PSB, were circulated by the reference memo of November 6 for the information of the Senior Staff, and were referred to the Senior State Member for consideration in connection with his preparation of the draft of the political and foreign policy considerations to be included in the reappraisal of the NSC 68 and 114 Series.

Outline of anticipated activity by the NSC over the balance of the calendar year with respect to U. S. objectives and programs for national security was transmitted by the reference memo of March 11 for the information of the Senior Staff. The Senior Staff at its meeting on March 13, agreed that the reappraisal of policies called for by NSC Action No. 575-c should be considered by the Senior Staff not later than April 1, and by the Council not later than April 16.

WITH THE USSR

PRIORITY PROJECT7

(Records of Senior NSC Staff Meetings
February 23 and May 24, 1951; NSC 79;
NSC 112; NSC Action No. 511; Memo for NSC from Executive
Secretary, subject: "United States and Allied Objectives in
the Event of Global War", dated September 6, 1950)

On February 23, 1951, the Senior NSC Staff agreed that the NSC 79 project on United States and allied war objectives should be completed in two sections and that the Section on the above subject, including a plan for reduction and regulation of armaments and armed forces, should be completed as a matter of priority. On May 24, 1951, the Senior Staff agreed that the completion of this project would provide an important background for obtaining popular support for U. S. national security policies.

Report by the Secretaries of State and Defense in connection with the plan referred to above, adopted by the Council (NSC Action No. 511) and approved by the President as NSC 112. On July 10, the Senior NSC Staff noted that NSC 112 was the first step toward completion of this project and that further work would proceed in the light of Council action on NSC 112. Awaiting re-examination by the Senior State Member of this project and the one below, with a view to expediting their completion or proposing their cancellation.

UNITED STATES AND ALLIED WAR OBJECTIVES IN THE EVENT OF GLOBAL WAR

(NSC 79; Memo for NSC from Executive Secretary, same subject, dated September 6, 1950)

JCS memo (NSC 79) circulated for Council information and referred to the Staff for use in the preparation of a report. The Senior Staff designated an ad hoc group to draft a report to include both a statement of war objectives in the event of global war, and such related questions as a statement of the conditions that the U. S. would be willing to accept for a peaceful settlement with the USSR and its satellites. At the initial meeting of the ad hoc group under the chairmanship of the State Member on October 6, 1950, the form and content of a response to the problems posed by NSC 79 were discussed and agreed upon.

On February 23, 1951, the Senior Staff agreed that this project should be divided as follows: (1) a statement of U. S. and allied war objectives in the event of a global war; and (2) a statement of the conditions the U. S. would be willing to accept for a peaceful settlement with the USSR, including a plan for the reduction and regulation of armaments and armed forces. Awaiting re-examination by the Senior State Member of this project and the one above, with a view to expediting their completion or proposing their cancellation.

UNITED STATES OBJECTIVES AND COURSES OF ACTION IN KOREA

(NSC 118/2; Memo for NSC from Executive Secretary, same subject, dated December 18, 1951; NIE-55; SE-20; SE-27; NSC Action No. 595)

The Council in adopting NSC 118/1 as amended (subsequently issued as NSC 118/2), referred the alternative versions of subparagraph 2-b-(6) to the Senior NSC Staff for review in the light of an analysis of the traffic in and out of Communist China and the probable effectiveness of an embargo or blockade (NSC Action No. 595-a-(4)). Awaiting preparation of a draft report by the Steering Committee on this project.

SECURITY OF STRATEGICALLY IMPORTANT INDUSTRIAL OPERATIONS IN FOREIGN COUNTRIES

(Progress Report, dated July 24, 1951 by the Department of State on NSC 29; NSC Action Nos. 531 and 610; Memo for Senior NSC Staff from Executive Secretary, same subject, dated April 21, 1952)

TOP SECRET
SECURITY INFORMATIONCURRENT NSC STAFF PROJECTS (Cont'd)SECURITY OF STRATEGICALLY IMPORTANT INDUSTRIAL OPERATIONS IN FOREIGN COUNTRIES (Cont'd)

By NSC Action No. 531 the Council referred the reference Progress Report to the Senior NSC Staff for recommendations regarding the desirability of a revision of the list of operations contained therein and the frequency of future progress reports by the Department of State. On September 27, in connection with a review of the NSC Status of Projects, the Senior Staff agreed that the State Department, with the assistance of a sub-committee composed of representatives from Defense, NSRB, ODM, and CIA, would assume responsibility for the preparation of a draft report pursuant to NSC Action No. 531. Memorandum from the Office of the Secretary of Defense dated October 2, 1951, which advised that recommendations by the Munitions Board for revision of the list of strategically important industrial operations would be submitted by December 15, 1951, was transmitted to the Senior State member of the NSC Staff for his information and use in connection with this project. The Senior Staff on March 13, in connection with a review of the Status of Projects, agreed that in view of the actions now under way, no further recommendations to the Council are needed and that the Senior State member should prepare for Senior Staff consideration, a draft memorandum to the Council reflecting this conclusion.

The Senior Staff at its meeting on April 24, considered the interim report on the subject prepared in State and transmitted by the reference memo, and deferred further action on the subject pending study by interested departments and agencies of a forthcoming report by a task group of the Special Interagency Committee on Foreign Sources of Critical Materials. Awaiting study by the departments and agencies concerned as indicated above.

RELATIVE COST OF ENSURING AVAILABILITY OF CERTAIN MIDDLE EAST OIL FACILITIES OR OF OFFSETTING THEIR LOSS

(Record of meeting of Senior NSC Staff on November 27, 1951; NSC 97/2; NSC 129/1)

The Senior NSC Staff at its meeting on November 27, agreed that, in connection with but not necessarily as a part of the Mediterranean and Middle East project (see NSC 129/1 and project on Iran below), the Department of Defense should prepare a study of the cost of the military effort in terms of feasibility, time and material, and the forces required to ensure the continued availability of oil from the Bahrein-Qater-Saudi

Arabia area, and the Office of Defense Mobilization should prepare a study of the economic cost in terms of feasibility, time and material required to offset the loss of oil from that area. Preliminary studies by Defense and ODM have been received by the Steering Committee on this project. The Steering Committee on April 29 agreed that consideration of this project should be deferred pending receipt of the forthcoming report on the national petroleum program (see NSC 97 project below). Awaiting preparation of the report on the national petroleum program.

THE POSITION OF THE UNITED STATES WITH RESPECT TO IRAN
(NSC 117; NSC 107/2; NSC 129/1)

Memorandum from the Joint Chiefs of Staff on "The Anglo-Iranian Problem", was submitted to the Council at the request of the Secretary of Defense as NSC 117. At its meeting on November 20, the Senior Staff agreed that NSC 117 should be listed in the Status of Projects as a reference in connection with the project on the Eastern Mediterranean and Middle East, rather than as a separate item. Subsequently the subject of the latter project was changed from the "Eastern Mediterranean and the Middle East" to "The Area of the Arab States, Iran and Israel."

The Senior Staff at its meeting on March 6 in connection with a discussion of a draft report on "United States Objectives and Policies With Respect to the Area of the Arab States, Iran and Israel During the Period of the Cold War" agreed that this draft report should include the Arab States, Israel and the Middle East Command (adopted by the Council as NSC 129/1), but not Iran, which was to be covered by the forthcoming revision of NSC 107/2. Awaiting preparation of a draft revision of NSC 107/2 by State. (See also related project above.)

UNITED STATES POLICY TOWARD FORMOSA. THE CHINESE NATIONALIST GOVERNMENT AND OTHER ANTI-COMMUNIST CHINESE FORCES
(NSC Action No. 624; NSC 48/5; Memo for the Senior NSC Staff from Executive Secretary, same subject, dated April 24, 1952; SE-29)

The Council on April 2 (NSC Action No. 624): (a) discussed the reference report by the Acting Secretary of Defense on Formosa (NSC 128); and (b) directed the NSC Staff, after

preliminary discussion by the Departments of State and Defense and CIA, to prepare a report for Council consideration in the light of a review of NSC 48/5, insofar as it pertains to United States policy toward Formosa, the Chinese Nationalist Government, and other anti-Communist Chinese forces and in the light of the views of the Joint Chiefs of Staff contained in NSC 128.

The Senior Staff at its meeting on April 29 discussed the subject on the basis of the reference memo of April 24 reporting the results of the preliminary discussions pursuant to NSC Action No. 624-b, and constituted the Steering Committee on NSC 128, consisting of the Senior State, Defense, MS, JCS and CIA members, to prepare for Senior Staff consideration a draft of the report called for by NSC Action No. 624-b in the light of the preliminary discussions. Awaiting preparation of a draft report by the Steering Committee on NSC 128.

A NATIONAL PETROLEUM PROGRAM

(NSC 97 and NSC 97/2; Memos for Senior NSC Staff from Executive Secretary, subject: "World-Wide Demand and Supply of Petroleum in Event of a Major War", dated August 3 and October 8, 1951 and February 27 and March 17, 1952; Record of Meeting of Senior NSC Staff of August 16, 1951; Memos for Senior NSC Staff from Executive Secretary, same subject, dated August 20 and October 24, 1951; Memo for NSC from Executive Secretary, subject, "Security of Certain Middle East Areas", dated December 11, 1951; NSC Action No. 592)

At the direction of the President, a letter from the Acting Secretary of Defense on the subject (NSC 97) was referred to the Director of Defense Mobilization to develop a national petroleum program leading to the complete supply of allied requirements for consideration by the NSC. Interim report on the subject (NSC 97/1), prepared by the NSC Staff based largely on studies by ODM and PAD, was amended by the Council and submitted to the President on December 12 (NSC Action No. 592). The President on December 13 approved the Interim Recommendations contained in NSC 97/1, as amended, and directed their implementation by all executive departments and agencies of the U. S. Government under the coordination of the Director of Defense Mobilization. Report as amended subsequently issued as NSC 97/2.
